If rent is paid online or through a bill pay service, the processing date is irrelevant; all rents must be received or direct deposited into Landlord's or Landlord's agent's account by the third calendar day of any month in which such installment becomes due.** All undersigned Tenants are **JOINTLY AND SEVERALLY LIABLE** under this Lease regardless of whom might be occupying the Premises, and any Tenant is authorized to act on behalf of all Tenants. Each Tenant is responsible for the entire rent under the Lease, and it is not Landlords' responsibility to account for Tenant partial payments. In the event Tenant(s) terminate this Lease prior to its expiration date, Tenant(s) will be liable for the accelerated balance of the rent plus all late fees and other monies. Tenant is not to deduct any amount of money from the Monthly Rent payment without prior written approval from Landlord.

4. **Late Payments:** In the event that (I) Monthly Rent due and owing with respect to any month is either not paid in full or actually received by Landlord by the third calendar day of any month in which such installment becomes due or (II) the financial instrument provided by the Tenant as payment of any rent is dishonored, returned or refused for non-payment or insufficient funds, there will be a late fee charged dated on the fourth of the month of Seventy-Five Dollars (\$75.00) for each such occurrence plus Five Dollars (\$5.00) per day thereafter until rent is paid in full; these late charges will accrue monthly. **Any payments made after the tenth of the month must be made via cash, money order or cashier's check.** There is a charge of Sixty-Five Dollars (\$65.00) for non-negotiable payments, plus all additional costs incurred to Landlord resulting from any such occurrence. Tenant agrees that Late Fees, Pet Fees, Utilities Charges, Promissory Payments, Damage/Cleaning Fees, Repair bills, NSF fees, may be deducted from Tenants' security deposit if they are not paid when they are due or in response to Tenant billing. Late fees are strictly enforced, and unpaid fees are not waived. Receipt by the Landlord of less than the full amount of the rent shall not affect the Landlord's right to terminate this Lease for non-payment of rent. If payment tendered at any time by Tenant fails to cover the total charges outstanding, then Tenant shall immediately pay the difference, plus any late charges incurred by virtue of Tenant's failure to timely pay all sums due from Tenant to Landlord.
5. **Security Deposit:** As an inducement for Landlord to enter into this Lease with the Tenants, the Tenants shall have paid and payment been credited to Landlord's account in full, prior to executing the Lease Agreement, the sum of (\$ _____) _____ hereafter referred to as the "Security Deposit". The Security Deposit paid herein represents a security for the faithful performance of the Lease Agreement by the Tenants. Landlord right to possession in whole or in part to the payment of any unpaid rent or any other breach of this Lease by Tenant shall not be affected by the fact that the Landlord holds a security deposit. **IN THE EVENT THAT SOME BUT NOT ALL TENANTS SIGN A LEASE FOR THE CONSECUTIVE TERM:** either a new deposit must be paid for the consecutive term and all Tenant(s) will be required to move out between lease terms so premises can be returned to move in condition for next term or the Current Tenant(s) whom are renewing & the Vacating Tenant(s) whom are moving out will grant Landlord or Landlord's Agent permission to continue to hold in escrow the Security Deposit and to transfer the credit of said Security Deposit into the name of the New Tenant(s) & Current/Renewing Tenant(s) who will remain in the Premises for the Consecutive Lease term and Current/Vacating Tenant(s) whom are moving out will release their claim to any portion of the Security Deposit escrowed with Landlord or Landlord's Agent. The responsibility to collect any funds due from New Tenant(s) to Current/Vacating Tenant(s) is the responsibility of all Tenant(s), not Landlord or Landlord's Agent. If the Security Deposit is transferred, all Tenant(s) fully understand and agree that Landlord or Landlord's Agent will not perform any turnover services (cleaning, repairs, pest control, etc.), a move out inspection, or impose any deductions to said Security Deposit when the Current/Vacating Tenant(s) vacate and the New Tenant(s) occupy. New Tenant(s) & Current/Renewing Tenant(s) who will remain in the Premises will accept the property in "AS IN" condition and will be responsible for Lease requirements of vacating and any damages that were not present or documented by Current/Original Tenant(s), for the commencement period of the Lease Term when the Security Deposit was initially paid to and escrowed with Landlord or Landlord's Agent.
- A. No portion of any Security Deposit shall be permitted, pursuant to the request or direction of any Tenant, to pay or be applied to or satisfy any obligation of rent becoming due and owing hereunder, unless the Landlord shall consent in writing and such consent may be withheld for any reason but may be applied against Monthly Rent in the event of a default by Tenants in the payment of said rent or late charges to the Landlord.

- B. At the expiration or termination of the Lease, said Security Deposit will be applied to any damages suffered by the Landlord as result of the Tenant's occupancy, including, but without limitation, the required professional cleaning, professional carpet cleaning and licensed pest control service which was performed prior to Tenants taking occupancy. *Professional cleaning service and carpet cleaning service, which must be provided by an insured service provider, and licensed pest control service will be deducted from the security deposit if adequate receipts are not provided by Tenants to Landlord, no later than the Termination date and time of Lease Term, of having services performed to comply with leaving the property in "move-in" condition and/or if deficiencies in those services are found at move out inspection.*

Tenant agrees to pay any utility bills received by Landlord on Tenants account plus a Sixty-Five Dollar (\$65.00) administrative fee per billing period for utilities remaining on or reverting to Landlords account during the period of this Lease. Utility bills received by Landlord on Tenants account will be considered additional rent and must be paid to Landlord within Three (3) days of notice of money due, if not paid within Three (3) days the outstanding balance will accrue the highest finance fee allowable by law until paid. Landlord is not liable for damages, inconvenience, or charges of any kind due to malfunctioning appliances or utilities that cause interruption in supply of water, heat, electricity, cooking, refrigeration or any other cause beyond the direct control of the Landlord. **Written permission from Landlord must be obtained before having a satellite dish installed and Tenant(s) must pay to have cable connection reconnected or be subject to a Five Hundred Dollar (\$500.00) fee for damages and reconnection in addition to the actual cost to reconnect services.**

8. **Smoke & CO2 Detection Devices:** Throughout the Lease Term, the Tenants shall take no action to impair or alter the operation of any such system and will **check batteries monthly and replace as needed.** Tenants shall promptly report in writing any malfunction of the same to Landlord. Each of the Tenants acknowledges that at the commencement of the tenancy created under this Lease that the Landlord has installed working smoke detection devices, CO2 detection devices (if gas is present in the Premise) and a fire extinguisher. Tenant is responsible for periodic testing of any smoke and/or CO2 detector and prompt reporting in writing of any malfunctions or the existence of ANY safety hazard. Failure to so report shall relieve Landlord from any liability that might otherwise exist from any loss that may occur.

9. **Access to Premises:** Each of the Tenants agrees to allow and provide the Landlord (including any designee or agent of Landlord) with access to the entire Premises at all reasonable times for purposes of fulfilling any of the Landlord's obligations hereunder or for purposes of doing repairs, having contracted services performed, showing the Premises to prospective buyers, showing the Premises to prospective renters, and performing inspections. The Landlord will make reasonable efforts by **email**, to provide Tenants with advance notice and the nature of the need to access the Premises. Landlord will only access at a reasonable time (8:00AM-8:00PM) for routine reasons but, Landlord may enter at any time in case of emergency or protection of the Premises. Notice is hereby given for Landlord to enter Premises quarterly, to inspect air filters, Premises condition, cleanliness, and safety equipment. It is the responsibility of the Tenant to make him or herself available for Landlord to do so or consent permission for Landlord to enter premises. If during an inspection, repair call, or showing the Premises, any lease violation is observed, such as unsanitary housekeeping or unauthorized pets, a seven-day notice to cure will be served to Tenants. Failure to remedy noted lease violations can be cause for eviction. The Landlord shall have the right to correct any unreasonably dirty, damaged, or unkempt condition, as determined by the Landlord's sole discretion, which may exist in leased premises. Any expense incurred in correcting such condition shall be Tenants expense, be considered additional rent and must be paid to Landlord within Three (3) days of notice of money due. All unpaid expenses will accrue the highest finance fee allowable by law until paid.

10. **Breach and Default:** The Landlord has materially relied on the composition of the Tenants as a group in entering into this Lease. Accordingly, if any single Tenant shall, prior to the expiration of the Lease Term, either abandon or vacate the Premises for any reason whatsoever, or file voluntarily for or sustain an involuntary filing of bankruptcy, or without the Landlord's written consent (which may be withheld for any reason) assign or sublet all or any portion of, as the case may be, this Lease or the Premises leased under this Lease, then the Landlord, in its sole and absolute discretion, may deem all of the Tenants to have defaulted under this Lease. In addition, an event of default of this Lease shall occur if any rent required hereunder becomes late or otherwise becomes past due or should any Tenant fail to comply in any material respect with any other duty, obligation or performance required of any Tenant under this Lease. In the event of default, the Landlord shall be availed of all rights and

remedies provided under Chapter 83, Florida Statutes, and any remedy provided under this Lease shall be cumulative and in addition to any other remedy available to the Landlord at law or in equity. In the event of a default by any Tenant hereunder, each of the Tenants acknowledge and agree that nothing contained in this section shall relieve any Tenant from the obligation to pay the required rent otherwise due hereunder unless as otherwise provided by law and then only to the extent provided hereunder. If at any time during or before the expiration of the terms of this Lease Agreement, the Tenant shall default by non-payment of rent or shall vacate said rental unit or otherwise violate the terms of this Lease, then all of the rent, late fees and other monies due for the balance of the Lease term remaining unpaid shall, at the option of the Landlord, be and become payable immediately, and the Landlord shall have full power and authority to demand, recover and collect any balance of rent for all months of the Lease term remaining unpaid by any legal proceeding available to the Landlord. If at any time before expiration of the term of this Lease Agreement, the Tenants fail to pay the rent when due and the non-payment continues for (3) three days after delivery of written demand by the Landlord for payment of rent or possession of the premises, the Landlord will proceed with eviction process.

- 11. Tenant Departures, Abandonment, and Surrender of Premises:** If any Tenant should abandon or vacate the Premises prior to the end of the Lease Term, such Tenant shall in writing promptly notify the Landlord of the Tenant's departure and provide the Landlord with contact information for the departing Tenant, which at a minimum shall contain a forwarding telephone number and address. In the event of a failure by a departing Tenant to provide a forwarding address, the departing Tenant agrees that for all notice purposes for any lawful reason, the address of the Premises shall serve as the Tenant's last known address. A request by Tenants to disconnect utility services before the end of the Lease Term is considered intent to abandon and abandonment occurs at the time that the utilities are disconnected in this manner. No agreement to accept surrender of the Premises from Tenants will be valid unless in writing and signed by Landlord. If at any time during the Lease Term the Tenants abandon the Premises, Landlord may enter without being liable for any prosecution therefore and without becoming liable to Tenants for damages of any kind whatsoever, and may on Tenants' account, release the Premises for the whole or any part of the then un-expired Lease Term, and may receive and collect all rent payable by virtue of such releasing, and at Landlord's option, hold Tenants liable for any difference between the Monthly Rent that would have been payable under this Lease during the balance of the un-expired Lease Term, if this Lease had continued in force, and the net Monthly Rent for such period realized by Landlord by means of such releasing. If Landlord's right to re-entry is exercised following abandonment of the Premises by Tenants, then Landlord will consider any personal property belonging to Tenants and left on the Premises to also be abandoned and dispose of according to signed authorization.
- 12. BY SIGNING THIS LEASE (i.e., RENTAL AGREEMENT) EACH OF THE TENANTS AGREE THAT UPON SURRENDER OR ABANDONMENT, AS DEFINED BY CHAPTER 83, FLORIDA STATUTES, THE LANDLORD SHALL NOT BE LIABLE OR RESPONSIBLE FOR STORAGE OR DISPOSITION OF SUCH TENANT'S PERSONAL PROPERTY THAT IS LEFT AFTER DATE OF DEPARTURE OR TERMINATION AND HAVE SIGNED A SEPARATE NOTICE OF AUTHORIZATION.**
- 13. Authorized to Receive Notice:** The name and address of the persons authorized by the Landlord to receive notices and demands on the Landlord's behalf: Jasmine Disgdiertt c/o JD Realty & Management, Inc., 1817 NW 13th St Suite 1, Gainesville, FL 32609. Landlords email address is never to be used for any form of legal notification regarding any matter covered by this Lease or Florida Landlord Tenant, Part II Chapter 83, Florida Statutes. All changes thereto shall be delivered to the Tenants at the address of the Premises. The address of the Premises shall serve as the address of each of the Tenants for purposes of any notice required of Landlord under this Lease or by law. Only one copy of notice by Landlord shall need to be delivered to any Tenant, and such notice shall be sufficient and binding on all Tenants.
- 14. Time is of the Essence:** Time shall be of the essence with respect to each and every required financial obligation or performance of the Tenants set forth under this Lease.
- 15. Joint and Several Liability:** By executing this Lease, unless otherwise expressly provided therein, each Tenant and Guarantor hereby agrees to be jointly and severally bound and liable to the Landlord with respect to all terms and conditions of this Lease and all liability, duties, obligations, covenants, and performances of any Tenant arising under or set forth under this Lease, including, without limitation, payment of Monthly Rent and indemnification of Landlord for Losses.
- 16. Legal Fees and Court Costs:** The Landlord shall be allowed to demand and recover costs and all expenses (including without limitation, reasonable attorney's fees, and investigative and court costs) incurred to enforce any duty, obligation performance or covenant or to collect any amounts due Landlord hereunder. When incurred during the tenancy of any Tenant, such amounts shall become additional Monthly Rent due hereunder. Interest on any past due amounts owed under this lease, or on any court judgment for money damages, shall accrue at the highest percentage allowed by law without demand and such interest is hereby defined, considered and intended to be additional rent; it is further understood and agreed between the parties hereto that time is of the essence in this lease and applies to all terms and conditions contained herein. In the event of a default under this

lease, each maker authorizes the garnishment or attachment of his/her wages to the fullest extent permitted by law, including without limitation, Florida Statute 222.11(2) (b) (1993) as amended from time to time.

17. Lease Termination, Re-lease, and Subletting: Tenant shall not assign, sublet, lease, transfer his/her interest, or re-rent premises or of any part of thereafter without Landlords Written consent. If Landlord authorizes a sublet, or replacement Tenant (re-lease), Tenant(s) must furnish a qualified substitute; in no way will it be Landlords responsibility to find or provide a substitute. In any case, if a sublet agreement or new Lease must be prepared, there will be a sublet fee of Three Hundred Fifty Dollars (\$350.00) or re-lease fee of Five Hundred Dollars (\$500.00) due from the original Tenant(s) to the Landlord/Agent. **The fee associated with subleasing or re-leasing must be paid in full before the documents can be fully executed.**

18. Indemnity and Limitation of Liability: In no event shall Landlord be liable for any special, consequential, punitive, or exemplary damages with respect to any cause of action or claim for relief arising hereunder or with respect to the Premises. The Tenants, jointly and severally, on behalf of each of themselves, their agents, creditors, employers, affiliates, siblings, parents, issue, heirs, legal or personal representative, and any and all other successors and assigns who may take by operation of law or otherwise by them or through them, hereby agree to indemnify and hold the Landlord harmless (including without limitation, any and all of Landlord's agents, attorneys, creditors, employees, affiliates, siblings, owners, principals, directors, managers, officers, parents, issue, heirs, spouses, legal or personal representatives, and any and all other successors and assigns who may take by operation of law or otherwise by or through either of the Indemnities) from and against any and all damages, claims, expenses, losses, demands, sums of money, claims for relief or causes of action, including but not limited to negligence and all other tort causes of action or claims for relief, statutory claims, suits, damages, debts, obligations, trespasses, and contracts relating to or arising out of any Tenant's breach or default of this Agreement, any Tenant's property (whether owned, leased or licensed), any act or omission of any Tenant or any of their children, Authorized Guests, or the enforcement by Landlord of any of the terms hereof. Landlord shall not be liable for any personal conflicts of the Tenant with the other Tenants/occupant(s) of the Premises.

19. Acknowledgement of Receipt of Landlord-Tenant Laws: By executing this Lease, each of the Tenants hereby acknowledges receiving prior to executing this Lease, copies of:

- A. Chapter 83, Part II, Florida Statutes (entitled "Residential Tenancies").
- B. "Florida's Landlord/Tenant Law" brochure prepared by the Florida Department of Agriculture and Consumer Services.
- C. Lead Based Paint Brochure.
- D. EPA Mold Guide.

Each of which the landlord has provided free of charge.

20. Entire Agreement/Modifications: This Lease and any exhibit, schedule, or addendum attached hereto or made a part hereof set forth the entire understanding of the parties with respect to the subject matter hereof, supersede all existing agreements among them concerning such subject matter, and may be modified only by a written instrument duly executed by each party. **TENANT HEREBY AGREES THAT THERE IS NO VERBAL UNDERSTANDING OR AGREEMENT OF ANY KIND OR NATURE WHATSOEVER WITH THE LANDLORD OR ANY REPRESENTATIVES, EXCEPT AS SET FORTH IN THE WRITTEN LEASE.**

21. No Waiver: Any waiver or a breach of any provision of this Agreement by the Landlord shall not operate or be construed as a waiver of any subsequent breach of that provision or of any other provision hereof.

22. Partial Invalidity: In case any one or more of the provisions contained in this Lease shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement and such invalid, illegal and unenforceable provision shall be reformed and construed so that it will be valid, legal, and enforceable to the maximum extent permitted by law. If any provision of this Lease is inapplicable to any person or circumstance, it shall nevertheless remain applicable to all other persons and circumstances.

23. Remedies and Defenses: Tenant may have remedies available at law or in equity. Any remedy available to the Landlord that may be set forth hereunder, is intended and shall be in addition to any other rights or remedies to which Landlord may be availed at law or in equity.

A. If Tenant remains on the Premises after expiration or termination of the Lease without Landlord's written permission, Landlord may recover possession of the Premises in the manner provided for by the law. Landlord also may recover double rent for the period during which Tenant refuses or is late to vacate the Premises.

B. If Tenant defaults under the lease by failing to pay Monthly Rent, as set forth in section 11, the Landlord may terminate

Tenant's rights under the Lease and Tenant shall vacate the premises immediately. If Tenants defaults under the Lease for any other reason, as set forth in section 11, Landlord may terminate Tenant's rights under the Lease and Tenant shall vacate the Premises within seven (7) days of delivery of the notice of termination.

C. If Tenant fails to cure a default within the time specified in the notice to Tenant, Landlord may recover possession of the Premises as provided by law.

D. If Tenant has defaulted under the Lease and Landlord has obtained a writ of possession, if Tenant has surrendered possession of the Premises to Landlord, or if Tenant has abandoned the Premises, Landlord may at Landlord's sole discretion:

- i. Treat the Lease as terminated, and retake possession for Landlord's own account;
- ii. Re-rent or Sublease the Premises for the account of the Tenant, in which event any proceeds shall be applied first to the cost incurred (including advertising and commissions), second, to the cost of repairing any damage to the Premises, and third, to the Tenant's rental obligations hereunder, with the Tenant and Guarantor(s) remaining fully responsible for any deficiency in the rental payments for the remainder of the Term; or
- iii. Do nothing, and Tenant will be liable for the rent as it comes due; or
- iv. Accelerate the entire unpaid balance of the rent for the term then remaining.

E. If Landlord retakes possession of the Premises for the Tenants account, Landlord must make a good faith effort to re-lease the Premises. Any rent received by Landlord as a result of the new Tenant shall be deducted from the rent due from original Tenant. For purposes of this section, "good faith" in trying to re-lease the Premises means that Landlord shall use at least the same efforts to re-lease the Premises as Landlord uses in attempting to lease other similar property. It does not require Landlord to give a preference in leasing the Premises over other vacant properties that Landlord owns or has the responsibility to lease. Any advertising costs incurred by Landlord in an effort to re-lease the Premises will be billed to the Tenant's and considered Monthly Rent. Any and all Attorney's fees and court costs incurred by the Landlord through enforcement of this Lease will be assessed to the prevailing party in any lawsuit. In the event of a default under this Lease, each maker authorizes the garnishment or attachment of his/her wages to the fullest extent permitted by law, including without limitation, Florida Statute 222.11(2) (B) (1993) as amended from time to time.

24. **Destruction or Damage of Premises:** In the event of a fire or casualty Tenant will immediately notify agent or Landlord. Should the Premises suffer a casualty or should a condition arise, through forces or events outside the reasonable control of Landlord (such as, solely by way of example, fire, storm, wind, rain, water damage, extraordinary repairs, lightning, acts of terrorism, vandalism, crime, mayhem, riot, war, or sinkholes) either (I) rendering the Premises (or any portion thereof) in the reasonable opinion of the Landlord, unusable, uninhabitable, or otherwise dangerous or unfit for the continued safe habitation, or (II) requiring repair or replacement of the Premises (or any portion thereof), the cost of which is estimated to exceed \$5,000, regardless of whether reimbursable through insurance, the Landlord may at its option, terminate this Agreement on no less than Thirty (30) days' notice. Alternatively, Tenants may vacate the portion of the Premise rendered unusable, in which case Tenants' liability for rent shall be reduced by the fair rental value of the portion of the Premise that is unusable. Notwithstanding the immediately foregoing, nothing contained in this Section or any act taken by the Landlord pursuant to this Section shall be interpreted or construed to relieve any Tenant from any liability (including any rent due and owing hereunder) occasioned by the breach by such Tenant or any other Tenant, of any duty, obligation or performance required of any Tenant under this Lease, or the acts or omissions (including without limitation, negligence or intentional malfeasance) of any Tenant or any other Authorized Person causing or contributing to any casualty or condition sustained by the Premises. If the whole and/or part of the leased premises shall be taken by any condemnation proceeding, this lease agreement shall terminate at the time the condemning authority takes possession of the part so taken. All damages awarded for such taking shall belong to the Landlord.

25. **Conclusive Proof of Material Breach and Default:** In the event that the City of Gainesville or other law enforcement provides notice to the Landlord (or its designee) of repeated violations by the Tenants or Authorized Guests of the city ordinances described in Section 14.5-1(3)(2) of the City Code or any ordinance including state or federal statutes, laws or rules, the Landlord, in addition to any other remedy available at law or in equity, shall have the right to immediately terminate this Lease and hold the Tenants jointly and severally liable for a material breach of the terms and conditions hereof and default under this Lease; and upon notice thereof, the Tenants agree to immediately vacate the Premises without any further action required of Landlord. Such notice shall serve as conclusive proof of a material breach and default by Tenants of this Lease and shall stop Tenants from raising any affirmative defenses in regard thereto.

26. **Representations and Warranties of Tenants:** Each of the Tenants severally represents and warrants to the Landlord each of the following facts are true and accurate at the time of the commencement of this Lease, and at all times thereafter:

- (a) The Tenant is at least eighteen (18) years of age and has full capacity to enter into this Lease;

- A. **Radon Gas Notice:** "RADON GAS: Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county health department."
- B. **Lead Based paint and ACMs Notice:** Housing built before 1978 may contain lead-based paint or traceable amounts of asbestos containing materials (ACMs). Lead from paint, paint chips, and dust can pose health hazards if not managed properly. Lead exposure is especially harmful to young children and pregnant women. Before renting pre-1978 housing, Landlord must disclose the presence of known lead-based paint and/or lead-based paint hazards in the dwelling. Lessees must also receive a federally approved pamphlet on lead poisoning prevention. ACMs are generally found in original kitchen tiles, acoustical ceiling treatments, drywall and joint compound, and original sink undercoating. These areas of the dwelling should not be disturbed and any maintenance issues relating to these areas should be referred to the Landlord.
- C. **Environmental Contamination:** Throughout the State of Florida there are existing Super Fund Sites as well as other sites that are subject to environmental contamination. Within the City of Gainesville and Alachua County there is an existing Super Fund site, as well as other sites that are subject to environmental contamination. The location of such sites and the degree and scope of contamination related to such sites may affect properties in proximity to such sites and could materially impact the value of such properties. Information regarding the location of Super Fund sites and other contaminated sites, and the extent of such contamination can be found, from among other information sources, at <http://www.epa.gov>, <http://www.epa.gov/superfund>, <http://www.alachuacounty.us/Depts/EPD/Pollution/Pages/CabotKoppersSuperfund.aspx>, <http://www.alachuacounty.us/Depts/EPD/Pollution/Pages/SoilData.aspx>, and from a review of City of Gainesville Ordinance # 0-05-70 and Ordinance # 0-04-44.
- D. **Crime:** Information on crime statistics can be found through the Police Department or the Sheriff's Office in the city or county in which the property is located. Information from Florida's database of sexual predators can be found at the State of Florida sexual predators' website, <https://offender.fdle.state.fl.us/offender/sops/home.jsf>
- E. **Mold Notice:** Mold is found virtually everywhere in our environment-both indoors and outdoors and in both new and old structures. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing, and other materials. When excess moisture is present inside a dwelling, mold can grow. There is conflicting scientific evidence as to what constitutes a sufficient accumulation of mold which could lead to adverse health effects. Nonetheless, appropriate precautions need to be taken.

In order to minimize the potential for mold growth in your dwelling, you must do the following:

- a) Keep your *dwelling clean* – particularly the kitchen, the bathrooms(s), carpets and floors. Regular vacuuming, mopping, and using a household cleaner to clean hard surfaces is important to remove the household dirt and debris that harbor mold or food for mold. Immediately throw away moldy food.
- b) ***Remove visible moisture accumulation on windows, walls, ceilings, floors, and other surfaces as soon as reasonably possible.*** Look for leaks in washing machine hoses and discharge lines – especially if the leak is large enough for water to infiltrate into nearby walls. When showering, be sure to keep the shower curtain inside the tub or fully close the shower doors. Also, experts recommend that after taking a shower or bath you: (1) wipe moisture off the shower walls, shower doors, the bathtub and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tiles surfaces dissipated; and (3) hang up your towels and bathmats so they will completely dry out. Turn on any exhaust fans in the bathroom and kitchen before you start showering or cooking with open pots, or open windows till moisture has dissipated. Use products/equipment to remove humidity from indoor areas if needed to prevent mold growth.
- c) ***Promptly notify us in writing about any air conditioning or heating system problems you discover.*** Follow our rules regarding replacement air filters. Use your air conditioning and heating systems. Also, it is recommended that you periodically open windows and doors on days when the outdoor weather is "dry" (i.e., humidity is below 50 percent) to help humid areas of your dwelling dry out as well as have air exchange. Heating or air conditioning should not be used at any time that a window or outside door is open.
- d) ***Promptly notify us in writing about any signs of water leaks, water infiltration or mold.*** We will respond in accordance with state law and the Lease Agreement to repair or remedy the situation, as necessary.

IN ORDER TO AVOID MOLD GROWTH, it is important to prevent excessive moisture buildup in your dwelling. Failure to promptly pay attention to leaks, humidity and moisture that might accumulate on dwelling surfaces or that might get inside walls or ceilings can encourage mold growth. Prolonged moisture can result from a wide variety of sources, such as: Rainwater leaking from roofs, windows, doors, and outside walls, as well as floodwaters rising above floor level. Overflows from showers, bathtubs, toilets, lavatories, sinks, hot water heaters, dehumidifiers, refrigerator, a/c drip pans or clogged condensation lines. Leaks from plumbing lines or fixtures and leaks into walls from bad or missing grouting/caulking around showers, tubs, or sinks. Washing machine hose leaks, plant-watering overflows, pet urine, cooking spills, beverage

spills, and steam from excessive open pot cooking or showers, high humidity outdoors and open windows, leaks from clothes dryer discharge vents and insufficient drying of carpets, carpet pads, shower walls and bathroom floors, leaving Premises with air conditioning or heating system not operating for extended periods of time. **Do not turn HVAC system off and leave town for breaks as this will cause mold to grow due to lack of air exchange and humidity not being removed.**

COMPLIANCE: Complying with this notice will help prevent mold growth in your Premise and both Tenant(s) and Landlord will be able to respond correctly if problems develop that could lead to mold growth. **IF YOU FAIL TO COMPLY WITH THIS NOTICE, YOU CAN BE HELD RESPONSIBLE FOR PROPERTY DAMAGE TO THE PREMISE AND ANY HEALTH PROBLEMS THAT MAY RESULT.**

28. **Possession Upon Approval:** Possession of the above stated premises will not be given to the Tenant until his/her application has been checked and approved by the landlord: if his/her application is rejected, any deposit will be returned to the tenant/tenants per the stipulations of the Reserve Deposit Agreement. The tenant hereby waives any claim for damages by reason of non-acceptance of his application, which the Landlord may reject without stating the reason for so doing.
29. **Hold Over Tenancy:** If any or all Tenants fail to vacate upon Termination Date at 12:00 PM (NOON) all Tenants are jointly and severally responsible for any and all charges resulting from. Any Hold Over tenancy can result in a minimum charge of double rent per hour, plus any cost associated with the delay in possession by the Landlord.
